PROPOSED AIRPORT ORDINANCE DEBATE

Please mark your calendar for Wednesday, September 8, 2010 at 6:00 p.m. at the CVIC Hall. If at all possible, it would be wonderful if you could attend the following events:

The pros and cons for the proposed Airport Use Ordinance will be debated. Lately there has been a lot of misinformation and confusion concerning what the ordinance proposes to control. This is *your* opportunity to hear the facts. This is *your* opportunity to ask questions.

This debate will certainly demonstrate that the CVVC is a truly diverse organization, since we will have members on both sides of the debate.

Immediately following the Airport Use Ordinance debate will be a presentation and debate among the candidates for the two Douglas County Commissioner seats to be filled in the upcoming November election.

Hope to see you there.

Steven Swabacker, President
